

MAKE YOUR MARK IN 2010!

_____ EDUCATION ADVISORY GROUP (Open to all members)

Supports and monitors NVAR curriculum such as career development, orientation, Virginia-required continuing education, designations, appraisal and various courses to meet membership needs. Other responsibilities include Annual Convention programming, evaluating new programs and encouraging continuing professional growth.

_____ COMMUNITY OUTREACH COMMITTEE (Open to all members)

The Community Outreach Committee is responsible for communicating the valuable services Realtors® provide to buyers and sellers. The group strives to educate the public about the opportunities of homeownership while ensuring that buyers' and sellers' rights are protected. Committee members also participate in community events that promote homeownership and work to sponsor seminars geared to diverse audiences.

_____ BUDGET & FINANCE COMMITTEE (Open to all members)

Committee members build the annual budget, ensure that the association's activities comply with the annual budget, maintain the financial integrity of the association and review and recommend Board of Directors' action as needed. Committee is also responsible for the Annual Audit and Management Review. To express interest, please contact Jim Foster at 703.207.3254 or jfoster@nvar.com.

_____ GOVERNMENT AFFAIRS COMMITTEE (Open to all members)

Tracks legislative activities at all levels of government. Recommends policy for NVAR and prepares annual legislative program. Mobilizes grassroots issues campaigns when necessary and plans special annual political events such as the legislative reception and the legislative trip to the state Capitol. To express interest, please contact Mary Beth Coya at 703.207.3250 or mbcoya@nvar.com.

_____ NV/RPAC CAMPAIGN COMMITTEE (Open to all members)

The Northern Virginia Realtors® Political Action Committee is in charge of the annual political fundraising campaign from January to July. Contributions are sent to candidates who are supportive of private property rights and who are sensitive to the Realtor® point-of-view on key issues. To express interest, please contact Mary Beth Coya at 703.207.3250 or mbcoya@nvar.com.

BUSINESS SPECIALTIES & REALTOR® FORUMS

REALTOR® FORUMS:

Sign up today to join our new networking and educational member services. Our goal is to provide you with cutting-edge education, while expanding your professional network. We currently offer Chinese, Hispanic, Korean and Vietnamese Realtor® Forums. For more information, please contact Tracy Reynolds at 703.207.3206 or e-mail: RealtorsForums@nvar.com.

BUSINESS SPECIALTIES:

Open to all NVAR members, Business Specialty groups are open forums that provide education and networking opportunities focused on specific segments of the real estate industry.

APPRAISAL FORUM

Encourages the advancement of the professional status of Realtor® Appraisers through education and professional appraisal societies. Promotes positive interaction between appraisers and real estate sales associates for their common benefit. Reviews problems associated with the appraisal of real property; recommends action.

INTERNATIONAL REAL ESTATE FORUM

Guides real estate professionals in expanding their personal and professional presence beyond today's transparent country borderlines. Works towards creating new business opportunities by marketing local properties worldwide, assisting investors purchasing real property in the US, as well as offering international options to local clients.

PROPERTY MANAGEMENT & LEASING FORUM

Encourages, informs and educates members so they can provide better property management services. Reviews and recommends solutions to problems associated with managing properties.

REAL ESTATE FINANCE & SETTLEMENTS FORUM

Monitors current financial and regional market trends. Disseminates relevant finance information to the general membership through NVAR publications and educational seminars. Activities include annual Economic Summit and quarterly member events.

COMMERCIAL COUNCIL

Meetings feature information sessions for Realtors® involved in commercial transactions. Guest speakers present the latest trends, economic forecasts and other issues relevant to commercial real estate.

Please print all information clearly.
