

# MANDATORY NVAR ORIENTATION CLASS SCHEDULE

We, at NVAR, look forward to having you attend this vital first course in your real estate career. It will start you on your way towards excellence in the field. We also hope you will participate in our many additional outstanding education course offerings. Classes are held at one of our two locations. Please check the schedule carefully to find out which location you selected. Please be on time. Students arriving 15 minutes late miss essential information, and we regret that you cannot be admitted to the class.

To become a REALTOR®, you must successfully complete the REALTOR® Orientation Class. There is no charge for the Orientation class if you complete it within 60 days. You understand that **failure** to attend the REALTOR® Orientation Class within **60 days** after submitting the application will cancel the application, and application fee will be forfeited and all member services will be suspended. You will then have to reapply and pay another application fee to start the process once again. Please note: **Your NVAR Membership is conditional until you complete this requirement. Pre-registration is required. Walk-ins are not allowed.** Fill out the bottom half of this application and fax to 703-207-3275 to register for one of the above classes. If you have a question regarding scheduling, please call the Membership Department at 703-207-3256 or E-Mail [membership@nvar.com](mailto:membership@nvar.com). After you complete the REALTOR® Orientation class, you have earned the designation, REALTOR®.
